

HAZLEMERE GOLF CLUB

SPECIAL PROJECTS FUND LOTTO All proceeds go to the Bunker Fund

If you are over 18 and interested in a weekly flutter that could:-

- ❖ give you a windfall for as little as a £1.00 a week &
- ❖ raise funds for the Special Projects Bunker Fund

then

- Enter your **name** and **6** numbers (between 1 & 49) on the form below
- Enclose a cheque for £52.00 (a year's subscription) made payable to **Hazlemere Golf Club Ltd.** & send it to me **Toni Bourne, c/o the Office, Hazlemere G. C.**

This is how the Lotto works.

- Each week we use the six Saturday National Lotto numbers (excluding the bonus ball number) and cross off any of your drawn numbers.
- The first person(s) to have all of their 6 numbers '**crossed off**' is the winner(s).
- The **winner(s) get 50% of the accumulated money.** If there is more than one winner then the 50% is divided between them. The other 50% goes to the Special Projects Bunker Fund.
- It could be 4 to 8 weeks before a winner(s) is declared but the longer it runs the larger the pot of money.
- When we have a winner(s) we start the process all over again, and at this stage you can change your selection of 6 numbers if you wish.
- New applicants will only be accepted from the start of a 'new game'.
- A weekly update will be displayed on the Notice board in the Players' Corridor.
